

Dermascope Medical & Cosmetic Dermatology Clinic is located at 435 The Boardwalk, Waterloo, on the fifth floor of the second Medical Centre. This 4500 sqft clinic is committed to excellence with their state-of-the-art facilities and technology in contrast with their warm and inviting atmosphere. At Dermascope self-care and self-confidence can be found in healthy and beautiful skin. Dermascope offers a wide scope of services, and is committed to providing a holistic experience where patients can feel safe and at ease from consultation through to their healing process after procedures. The scope of services consists of medical dermatology, cosmetic dermatology and Mohs surgery, with three qualified professionals who are specialists in these three areas of dermatology. Dermascope uses biophilic design, natural daylighting and colour psychology to harness an atmosphere of tranquility and trust. Dermascope is where you belong; where our scope your skin.
